

LOGIC + Combi 24, 30, 35

Key No.	Description Qty./	Product Number
107	Filling Loop	175530
108	Pump Head Kit	175670
110	Automatic Air Vent	174894
111	Diverter Valve Head	174813
112	Diverter Valve Cartridges	175668
113	Pressure Relief Valve	175413
118	Expansion Vessel	175551
121	Plate Heat Exchanger 24	176544
	Plate Heat Exchanger 30	176545
	Plate Heat Exchanger 35	176546
127	Flow Sensor (Hall Effect)	175590
128	DHW Flow Turbine 24	175660
	DHW Flow Turbine 30	175661
	DHW Flow Turbine 35	175662
131	Water Pressure Sensor	175596
135	Pressure Gauge	175679
205	Gas Valve kit	175562
211	Injector & Housing 24	175610
	Injector & Housing 30	175611
	Injector & Housing 35	175612
215	Fan Kit	175569
217	Burner	175571
229	Siphon Trap Kit	175583
232	Turret Manifold Gasket	175620
302	Primary PCB	175939
302a	Boiler Chip Card (BCC) 24	176402
	Boiler Chip Card (BCC) 30	176403
	Boiler Chip Card (BCC) 35	176404
303	CUI Board	175713
304	Control Thermistor (Return)	176432
306	Ignition Electrode Kit	175591
307	Detection Electrode Kit	175592
308	Spark Generator	175593
309	Thermistor - Flow	175594
313	Ignition lead	175598
320	Detection Lead	175604
328	Fuse - PCB	175627
403	Heat Engine Gasket Kit	175618
504	Front Panel	175723
512	Front Panel Door	175722

*Note that production boiler PCBs are factory pre-set to operate for boiler range and output, but when ordering Primary PCB as a spare, an additional Boiler Chip Card (BCC) MUST also be purchased for your specific boiler range and output
