  - Manual mode on thermostat to disable schedule
  - Heating Boost Mode
  - Holiday Mode
  - Contemporary design
  - Easy Installation
- ITLC (Internal Temperature Load Compensation)
  - Boiler Plus Compatible
  - Switching volt free and 230V
  - Sleep Mode
  - Programmable time and temperature scheduling
  - Frost Protection
  - Desk Stand
  - 5 Year Warranty

### **SALUS RT520 ROOM STAT**

The RT520 is the latest addition to SALUS' tried and tested RT range of thermostat heating controls.

With a new on-board load compensation feature, it offers the most cost effective fully compliant Boiler Plus solution on the market providing the homeowner with optimum efficiency and maximum heating control comfort.

The wired RT520 thermostat includes all the features of the previous RT series with a larger more intuitive LCD display and a handy new suite of additional operational and efficiency functions.

Features	Benefits
Load Compensation	<p>Load Compensation is one of the 4 energy saving features that makes a system Boiler Plus compliant. Therefore, the RT520 is the most cost effective fully compliant thermostat option on the market.</p> <p>Taking the most commonly used OpenTherm protocol compatible with most new boilers sold in the UK, on board load compensation allows the homeowner to more efficiently manage their heating and reduce energy and costs.</p>

OpenTherm	OpenTherm provides more precise control on the boiler through the control of the gas valve.
Optimisation Functions	Optimum Start and Optimum Stop.
New Larger Clear easy to read LCD	Simple, quick and straightforward operation and setup for all users.
TPI (Time Proportional & Integral) 'self-learning' Functionality	More precise heating control with increased comfort and improved energy efficiency.
ErP Rating V	Improved ErP rating means better efficiency rating of the whole system and total cost reductions. ErP IV is a benchmark minimum for some EU markets.
Service Mode	Thermostat can be programmed to ensure home occupier is aware a boiler service is required and landlord can access to action.
Landlord PIN	PIN entry option for landlord/building owner only access to certain settings and menus.
Battery operated	Simple and quick to install with no 230v wires.
5 year warranty	For maximum peace of mind.

#### Basic Specification

Power supply	2 x AA Batteries
Scale	5°C ~ 32.5°C
Dimensions	95mm x 118mm x 26mm (HxWxD)
