

As an alternative to plaster or tiles, wall panels are 100% waterproof and are designed in a way to reduce condensation and be resistant to mould. The panels can be applied directly over Artex and are easy to install with a simplistic tongue and groove interlocking system. Our range of wall and ceiling panels can be purchased in a wide selection of designs spanning marble, stone, woodgrain effects and plain colours that provide a stunning solution for any style of room.

PVC Wall Panels

10 YEAR GUARANTEE

CLASS 1 FIRE RATED

10MM THICK

These flush fitting PVC panels feature a tongue and groove style fitting and look equally at home in the Bathroom, Study or Workplace.
